Welcome to "Title of Study" Web page. Before taking part in this study, please read the consent form below and click the "I Agree" button at the bottom of the page if you understand the statements and freely consent to participate in the study.

Consent Form

This study involves a Web-based survey that examines [insert appropriate information about study]. The study is being conducted by [your name] in partial fulfillment of a doctoral [or master’s] degree at Union Institute & University in [insert location]. It has been approved by Union Institute & University’s Institutional Review Board. No deception is involved, and the study involves no more than minimal risk to participants (i.e., the level of risk encountered in daily life).

Participation in the survey typically takes xx minutes and is strictly anonymous. Participants will respond to a series of questions about [fill in]. These questions are designed to evaluate [fill in appropriate information for your study]. All responses are treated as confidential, and in no case will responses from individual participants be identified. Rather, all data will be pooled and published in summary form only. Participants should be aware, however, that the survey is not being run from a secure https server of the kind typically used to handle credit card transactions; so, a small possibility exists that responses could be viewed by unauthorized third parties (e.g., computer hackers).

Participation is voluntary, participants may withdraw from the study at any time, and they may decline to answer any questions if they experience any discomfort with the questions asked. [If participants cannot opt out of answering questions, remove this statement.] Participants will not be paid to participate in this research study.

If you have any questions about this study or your rights as a participant, you may contact the principal investigator, [insert your name], at (xxx) 555-6648 or abc@email.myunion.edu or [insert core’s name], core faculty advisor (xxx) 555-6629.

If you are 18 years of age or older, understand the statements above, and freely consent to participate in the study, click on the "I Agree" button to begin the survey.

Debriefing

Thank you for your participation in my study. The purpose of this study was to examine [fill in]. The intent of this online study is to look at group data, not that of the individual. Individual identities cannot be determined, and I would like to assure you of your confidentiality and anonymity.

Thank you for your participation. If you would like to know final results, or if you have any questions or additional concerns, you can contact me through e-mail at cabe@abc.edu.

Again, thank you,

[insert your name]
